Tutoring is offered at Millpond Academy for students in kindergarten to Grade 8 in subject areas including reading, writing, math, English Language learning etc.

If you are looking for **private tutoring** you can choose your day and time slot from the available options. All private sessions are booked for a minimum of 4 weeks. After three weeks, you will have the opportunity to sign up for further weeks or your time slot will become available for a new registration. Fees must be paid by e transfer, cash or cheque before the end of the session each week.

If you are looking for **small group tutoring** your child will be matched with 1-3 other students working on the same subjects, at the same level, and the time slot will need to be chosen for you. The small group sessions will be booked for 6 week periods. Fees must be paid by e transfer, cash or cheque before the end of the session each week.

All tutoring takes place at Millpond Academy, 590 Adelaide St Woodstock. Session times are used in full for engaging and individualized activities, learning and practice. Planning of each individualized lesson is completed prior to the session time but is included in the pricing.
